Standing up for Science Workshop

University of Manchester | 14 April

Find out how to make your voice heard in public debates about science.

Meet researchers who have engaged with the media, learn from respected science journalists, find out how researchers can inform policymakers, and learn how to involve the public in communicating research.

FREE for STEM and social science early career researchers (PhDs, postdocs or equivalent), trainees and medical professionals.

TO APPLY | Complete the application form on our website
